THE
Madelaine
CHOCOLATE COMPANY

2026-2027

Spring has sprung and it doesn't end with Easter!

Don't forget about **Mother's Day**, **Father's Day** and **Secretary's Day**, and there are plenty of treats available for **Graduation** and **St. Patrick's Day**. With our Spring offerings there is something for everyone!

We are The Madelaine Chocolate Company.

Established in 1949, we've dedicated ourselves to perfecting the superior taste and quality of our chocolate.

Our belief that everyone should be able to afford great tasting chocolate is what drives our commitment to our customers, and ensures that we never compromise on flavor or quality.

At the Madelaine Chocolate Company we believe that chocolate is more than just candy and that we're more than just a manufacturer. We've been part of almost every U.S. family for over 75 years and this continues today.

From holidays and birthdays, to Valentine's and Easter, Madelaine has always been there. Using the finest quality chocolate, innovative shapes and unique Italian foils, we're proud to help make every moment special.

Sharing Every Chocolate Moment Since 1949.
